

Parent's Newsletter

Monday 27th September 2021

Harvest Donations

Thank you to everyone who donated food for our Harvest Festival. We had a brilliant response.

We are very grateful to Father Tommy from Christ Church who led our Harvest Celebration Assembly and also arranged for the food to be taken to the local food bank. As soon as we hear how many families we fed, we will let you know.

Thank you again for your support.

School Photographs

Our School Photographer is in School on Friday 8th October. Unfortunately, due to COVID-19, the photographers have advised us that they will not be taking photographs of any children who do not attend Heron Cross so unfortunately, this year, we will not be able to hold a family group session with older and younger brothers and Sisters.

Highways England

We have been notified by 'Highways England' that they are starting some roadworks on the A50 between Longton and Heron Cross. The work will commence on 11th October and they hope to be finished by Christmas.

Parent's Evening

This year, we are offering you a choice of either a face to face parent's evening on Thursday 21st October or a telephone appointment on Thursday 4th November. A letter regarding the arrangements for these two dates and what you need to do will be coming out to you on Wednesday 6th October.

Harvest Celebration Lunch

Our Catering Team will be serving a Special Lunch on Thursday 7th October 2021 please see the home page of our website for more details.

Free Gardening Equipment for Our School!

We are taking part in the Morrisons 'It's Good To Grow' scheme which provides free gardening equipment for our children. Please see the second page of the newsletter for more details

Food Allergies

Rules about allergens in foods have changed. As a School, we are updating the information regarding what the food we serve contains and this will be posted on the School's website with a hard copy available on our Main Reception Desk.

Get FREE gardening equipment for your school

At Morrisons we want to get kids growing, because the more they know about how food's grown, the better they'll eat, now and in the future.

It's Good to Grow is a collector scheme where you can exchange **Grow Tokens** for gardening equipment for your school.

How does it work?

1

Register your schools' interest on itsgoodtogrow.co.uk and we'll be in touch

2

Once registered, anyone can take part in collecting **Grow Tokens** for your school

3

From 6th Sept to 24th Oct 2021 all they need to do is use their MyMorrisons card each time they shop in store or online

4

They'll get one **Grow Token** for every £10 spent and can donate these straight to you via the MyMorrisons app or website

5

Throughout the collection period they simply go to the MyMorrisons app or website to donate their **Grow Tokens** to your school

6

After the collection period ends, you can redeem your **Grow Tokens** against a wide range of gardening equipment for the school

Scan here to register your interest or visit www.itsgoodtogrow.co.uk
