

Parents' Newsletter
5th February 2021

Dear Parents, Carers and Children,

We hope you are all well and happy. We miss the children who are not in school very much. Learning at home can be hard but we hope you are managing. We have tried to make learning as accessible as possible. I have been so impressed by your home learning photographs.

The year 5 and 6 classes are using Google classroom for 'live learning'. This has been so successful that we are rolling it out to the Reception, Year 1, 2, 3 and 4 classes. The class teachers will contact you when the lessons begin. The other learning at home is by:-

- Teacher videos.
- Daily home tasks (no device needed).
- Useful home learning links: TT rockstars, purplemash, edshed, spag, mymaths, all these tasks can be found on our school website (extra learning).
- Epic reading (Year 5 and 6).
- Contact class teachers for help and advice via teacher phone calls and email.

If you need any support with home learning please do not hesitate to contact school.

Take care of yourselves

Love Mrs Shenton x
