
Parents' Newsletter
12th February 2021

Dear Parents, Carers and Children,

The half term holiday begins this weekend. We hope you have a well deserved rest from your on-line learning.

The children who are in School are looking forward to the holiday. We hope to be back together soon. We are waiting for the government to inform us when the wider opening of schools will happen.

It is going to be a busy half term in School. During the holiday there will be :-

- Six interactive whiteboards fitted.
- Community room kitchen redesigned.
- Classroom created in the Community Room.
- New carpeted area in the Hobbiton.
- Shelving in the music store.

We want the school to be at its very best for when we are all back together again.

Love Mrs Shenton x

 * School opens for Key *
 * worker children on Monday *
 * 22nd February at 8.45am. *
