30 hours childcare for working parents

Working parents can access 30 hours of funded childcare from January 2019 but they **must** apply by **31 December**. Parents already accessing 30 hours' funded childcare should ensure their code has been reconfirmed and they remain eligible for the spring term 2019.

To apply, reconfirm or for further information visit www.childcarechoices.gov.uk. If parents need any help with their 30-hour code they should contact the HMRC helpline on 0300 123 4097.
