25th November 2021

Dear Parents/Carers,

Christmas Performances

The staff and children are working really hard to prepare their Christmas Performances for you but we still have a duty to protect the staff, children and yourselves from Coronavirus, COVID-19. With Stoke-on-Trent having one of the highest rates of transmission in the country, I would ask you to follow these requirements when you attend our performances which are recommendations from The Government and Local Authority:

1. Please enter School through the Community Room Entrance on the KS2 Playground (signs will indicate where this entrance is for anyone not familiar with it;)
2. The door will not be opened until the start time of the performance, pupils will already be in their places;
3. We expect you to wear a mask for the duration of the performance;
4. If you are medically exempt from wearing a mask, you will be asked to provide proof;
5. Please use hand sanitiser provided at the entrance;
6. Please sit down immediately on entering the hall and do not move around;
7. Do not bring any younger brothers or sisters to the performance under any circumstances. Parents doing so will be turned away;
8. No photographs will be taken during the performance but class photographs will be sent to all parents;
9. At the end of the performance, please leave immediately keeping at a social distance from other parents;
10. No children will be allowed to leave School early following the productions. You are welcome to wait on the playground until the end of the School day.

We hope that by following these simple requirements, you will all be able to enjoy our performances and we would ask you to continue to support us as we try to protect everyone and ensure that we all have a healthy and happy Christmas.

Thank you for your support,

Dorrie Shenton

D. Shenton (Mrs.)
