### WELCOME BACK

The children are happy to be back in school. We had our first whole school assembly yesterday after an 18 month break. It was lovely to be together again after so long.

School will follow government guidance about COVID 19.

- All staff will undertake a lateral flow test twice a week
- Staff will socially distance from each other and wear face masks when in groups of six and over.
- Children's lunch and break times will be staggered.
- The children will have lunch in the dining hall.
- Breakfast Club will continue in the main hall for Years 2-6 and the KS1 hall for Nursery, Reception and Year 1.
- The one way system will remain in operation at the beginning and end of the school day to avoid congestion at the gates.
- Classrooms will be well ventilated at all times.
- Handwashing and hygiene routines remain a priority.
- It would be appreciated if parents/carers would wear a face mask when on the playground and when entering the office reception area.
