There are very strict allergen rules for schools now. If children bring sweets in for their birthday they must only be given out by the child's parent/carer at the end of the School day. They must get permission from the parents before any child eats a sweet. We have some children who are vegetarian and there are certain sweets that they cannot have because they contain gelatin.

Thank you for your co-operation.

A previous pupil, Mr Till, has brought in some fascinating items relating to the history of Heron Cross Primary School. One piece that we found interesting was this picture of a phosphor bronze panel that was made in 1949 by the Handicraft teacher Mr G Jackson. We still have the bronze emblem in School after Mrs Shenton saved it from being thrown away in a skip many years ago and have used it for our School logo.

Just to remind parents that the Bowling Club Car Park is only open on certain days. Please can we ask parents to be respectful as we have been informed of littering and parents leaving their car whilst going to the park. The staff of the bowling club want to close the gates at 3.30pm and are unable to do so.
