### **SAFEGUARDING OUR CHILDREN**

Dear Parents/Carers

Last Thursday one of our pupils was hit by a car in Claud Street. Luckily it was a glancing blow and the child was unhurt. The governing body and myself urge all parents and carers to drive slowly and cautiously in Claud Street. Please do not park on the zig zag yellow lines. The Local Authority, police and traffic patrol have been informed of the incident.

A few weeks ago the Bowling Club opened their car park to parents/carers. This measure had not been discussed with myself or the governing body. Many parents/carers feel that the situation in Claud Street has become worse since the opening of the car park. If driving or parking in Claud Street could be avoided it would be safer for all of our children. Please ensure that your child is supervised when crossing the road. Safeguarding and Road Safety is paramount and must be everyone's concern.

Kind regards
