Headteacher: Mrs D M Shenton

## General Background Information

Heron Cross Primary School is situated in one of the most deprived areas of Stoke on Trent. In recent years, pupil and staff numbers have steadily grown. The current number of pupils on roll is 415 and our workforce totals 61.

Our latest Ofsted Inspection (2016) described our school as 'having a can do culture that inspires and motivates pupils to succeed and enjoy their education.'

The school Special Educational Needs Co-ordinator is responsible for the implementation of Individual Education Plan's, with the support of our Teaching and Learning Assistants. We also employ one part-time Home School Link Worker who has an excellent rapport with the parents and has facilitated many Family Learning classes.

We are very fortunate to have a Nursery unit which provides 30 hours free provision.

Our current staffing structure can be found on our school website, the address of which is above on this letterhead.

All staff have a collegiate responsibility towards curriculum development and management in either a core or foundation subjects. Senior Leadership oversees the smooth running of all departments across the three Key Stages.

We run a Breakfast Club daily during term time only. This takes place in our dining centre.

Weekly, a large number of staff operate extra-curricular classes where children are encouraged to develop, or extend their talents this way.

The school motto is "**Seek thou the stars**" which embodies our community ethos of striving for excellence.

Full details of our Governing Body can be found on our School website

Discipline is achieved through positive systems and behaviour is outstanding across the school. The happy atmosphere which exists permeates through school life, making teaching a rewarding and enjoyable experience.
