

Poppy Appeal

Thanks to your generous donations via Parentpay, we have been able to send £186.40 to the Royal British Legion for their annual 'Poppy Appeal.'

Thank you so much to everyone who contributed.

COVID 19

Thank you to you all for following our one way system on the playground at drop off & pick up times.

Please maintain social distancing at all times and, for your protection, wear a facemask in areas where you are unable to maintain a social distance.

Children In Need 2020

Wow, well done everyone! We raised a whopping £418 for this year's BBC 'Children in Need' appeal.

Thank you again to everyone who contributed for this very worthy cause.

Cards and Gifts

Christmas is a time when children and parents want to exchange gifts and cards in School. It is a lovely, thoughtful thing to do. However, this year, there are many families in great distress so rather than sending classmates a card or giving teachers and support staff a gift, parents/carers could donate on Parentpay to 'The Alice Charity.'

'The Alice Charity' supports local families living in poverty across Stoke-on-Trent and offers a helping hand when times get tough.
