

6th January 2021

Hello Children!

I hope that you had a lovely Christmas and a Happy New Year. Most of you are learning at home and this can be really hard, so here are a few tips to make learning at home easier:

- Be organised by having pens, pencils and paper ready;
- Keep all of your equipment in one place so that it is easy to find;
- Make yourself a timetable as if you were in School;
- Do your Maths and English learning first thing in the morning;
- Start your day as if you were in School - the School day starts at 9.00am;
- Have a place where you can work quietly;
- Do your learning every day - do not leave it to mount up as you will find it hard to catch up;
- Do at least 15 minutes of exercise every day;
- Find yourself a nice book to read as your reward for doing your work; and
- Don't forget all of the online resources that are also available as well as all of the work being set for you by your teachers.

The BBC is making lots of extra work available to help you keep up with your learning during lockdown.

From Monday 11 January, CBBC, BBC Two, BBC iPlayer and BBC Red Button will all be offering up lots of content for you, including daily lessons, which will be made available online too.

Work hard!

Love Mrs. Shenton x
