6<sup>th</sup> January 2021

Dear Parents/Carers,

We are faced with challenging times again.

The School is very empty with only children of Critical and Key Workers, Vulnerable and Nursery children attending. We are going to provide all of our children with the very best on-line learning that we can. If you need any support, please do not hesitate to contact us. If your query is not urgent, please email [queries@heroncross.org.uk](mailto:queries@heroncross.org.uk)

I want to say thank you to you for your response to this challenging situation that we have all found ourselves in and for all of your extremely positive comments sent by email to us, for which myself and the staff are very grateful.

I am also exceptionally grateful to the staff who worked late into the night on Monday 4<sup>th</sup> January 2021, responding to the announcement to which we had no prior knowledge. This enabled us to be able to respond to parent email enquiries and to get the School up and running in time for Tuesday morning.

Needless to say, we will keep you all updated in the coming weeks as we receive information from the Government.

Love Mrs. Shenton x
